EDUCATION

- Arab Academy for Science, Technology & Maritime Transport Oct 2022 – Jun 2026
Bachelor of Computer Science; Major in Cybersecurity
– GPA: 3.64/4.0 (Excellent with Honors), ranked **2nd** in the Cybersecurity major
Smart Village, Egypt

EXPERIENCE

- Arab Academy for Science, Technology & Maritime Transport Sep 2026 – Present
Teaching Assistant (TA) · Part-time (On-site)
– Assisting in delivering Computer Networks labs and tutorials, guiding students through hands-on exercises in IP addressing, subnetting, routing, and switching
Smart Village, Egypt
- Juhayna Food Industries Sep 2026 – Sep 2026
Information Technology Intern · Internship (On-site)
– Worked on IT infrastructure and networking operations while gaining hands-on experience with SAP and ERP systems and understanding their role in enterprise business processes
Giza, Egypt
- BARQ Systems Feb 2026 – Mar 2026
SecOps Intern · Internship (On-site)
– Gained hands-on SOC Engineering experience with Fortinet solutions (FortiSIEM, FortiSOAR, FortiDeceptor), developing skills in threat detection, incident response, and security orchestration within a professional SOC environment
Cairo, Egypt
- WE Innovate Bootcamp Aug 2025 – Sep 2025
SOC Analyst Intern · Internship (Hybrid)
– Completed hands-on SOC training: AD setup, Bash scripting, NFS config, Nginx security, Cisco simulations, SIEM implementation
Giza, Egypt
- National Bank of Egypt (NBE) Aug 2024 – Sep 2024
Information Technology Intern · Internship (On-site)
– Gained hands-on experience in IT operations, software testing, and troubleshooting
Cairo, Egypt
- Commercial International Bank Egypt (CIB) Jul 2024 – Aug 2024
Internship Trainee · Internship (Online)
– Explored banking operations, teamwork, and industry practices through structured program
Giza, Egypt

PROJECTS

- DroneSentinel: AI-Based Security Gap Monitoring System Nov 2025 – Present
