EDUCATION

• Arab Academy for Science, Technology & Maritime Transport

Bachelor of Computer Science; Major in Cybersecurity

– GPA: 3.64/4.0 (Excellent with Honors), ranked **2nd** in the Cybersecurity major

Oct 2022 – Jun 2026

Smart Village, Egypt

EXPERIENCE

• Arab Academy for Science, Technology & Maritime Transport

Teaching Assistant (TA) · Part-time (On-site)

– Assisting in delivering Computer Networks labs and tutorials, guiding students through hands-on exercises in IP addressing, subnetting, routing, and switching

Sep 2026 – Present

Smart Village, Egypt

• Juhayna Food Industries

Information Technology Intern · Internship (On-site)

– Worked on IT infrastructure and networking operations while gaining hands-on experience with SAP and ERP systems and understanding their role in enterprise business processes

Sep 2026 – Sep 2026

Giza, Egypt

• BARQ Systems

SecOps Intern · Internship (On-site)

– Gained hands-on SOC Engineering experience with Fortinet solutions (FortiSIEM, FortiSOAR, FortiDeceptor), developing skills in threat detection, incident response, and security orchestration within a professional SOC environment

Feb 2026 – Mar 2026

Cairo, Egypt

• WE Innovate Bootcamp

SOC Analyst Intern · Internship (Hybrid)

– Completed hands-on SOC training: AD setup, Bash scripting, NFS config, Nginx security, Cisco simulations, SIEM implementation

Aug 2025 – Sep 2025

Giza, Egypt

• National Bank of Egypt (NBE)

Information Technology Intern · Internship (On-site)

– Gained hands-on experience in IT operations, software testing, and troubleshooting

Aug 2024 – Sep 2024

Cairo, Egypt

• Commercial International Bank Egypt (CIB)

Internship Trainee · Internship (Online)

– Explored banking operations, teamwork, and industry practices through structured program

Jul 2024 – Aug 2024

Giza, Egypt

PROJECTS

• DroneSentinel: AI-Based Security Gap Monitoring System

Graduation Project - Specialized drone detection for security vulnerabilities
